

Veterans Affairs (VA) Claims: Who, What, When, Where, and most of the time, Why (and don't forget How)

VA Claims are the forefront of most national newspapers today. MISSION Act, claims now processed through Optum, half the country still uses TriWest, Authorized and Unauthorized Care.... does it make your head spin yet? In this webinar we will deconstruct VA claims and boil down some of the rhetoric into understandable language.

Presented by:

Learning Objectives

1. Discuss how we got to where we are and what the MISSION Act means
2. Review some keys to success around submission and payment of VA claims
3. Crystal ball predictions into what VA patients mean to the hospital revenue cycle in the future
